## Puppy Doodles

**Preparation time:** 5 minutes  
**Cooking time:** 8-10 minutes  
**Temperature:** 400 degrees

**Ingredients:** ½ cup vegetable oil                      ½ cup shortening  
1 cup honey    2 eggs  
3 ¾ cup flour    2 teaspoons cream of tarter  
1 teaspoon baking soda                              ½ cup cornmeal  
2 teaspoons cinnamon

**Directions:** Beat oil, shortening, eggs and honey together. Mix with the flour, baking soda and cream of tarter until incorporated. Knead and shape into balls. Roll balls in the cornmeal and cinnamon mixture. Press balls down with a fork to give a snickerdoodle look. Put in oven and bake for 8-10 minutes. Cool thoroughly when done.

**Cooking time:** 60 minutes  
**Temperature:** 350 degrees

**Ingredients:** 1 pound ground turkey                      1 cup cooked brown rice  
1 egg    ¼ parsley  
3 tablespoon wheat germ                              1 cup carrots  
2 tablespoons minced garlic

**Directions:** Combine all ingredients in a bowl. Put it into a greased loaf pan. Bake for 60 minutes or until done. Allow to cool and slice.

**More Info:** This is a good one as a treat or served over a bowl of dry food. You will see that this one is a guaranteed winner.

## Creamy Ocean Pops

**Preparation time:** 5 minutes  
**Cooking time:** N/A  
**Temperature:** very cold

**Ingredients:** 1 can of tuna (8 ounce)      2 quarts of plain yogurt  
2 teaspoons garlic powder      small (3 ounce) plastic cups

**Directions:** Mix the ingredients thoroughly in a bowl. Spoon the mixture into small plastic cups (not paper), place on a tray and freeze overnight.

**More Info:** Garlic helps prevent fleas. Tuna is high in protein. Try Some variations such as canned chicken instead of or in addition to the tuna. Add a banana for some added nutrition. Experiment and have fun.

## Ants On A Log

**Preparation time:** 1 minute  
**Cooking time:** N/A  
**Temperature:** N/A

**Ingredients:** milk bones or homemade dog biscuits      raisins  
peanut butter (smooth or creamy)

**Directions:** Take a small or large dog biscuit and spread as much peanut butter on it as you would like. Too much is not possible. Line up raisins to represent the ants. Your dog will think you slaved over a stove all day.

**More Info:** Simple twist on a human recipe that has been a favorite for many years.

## Soft and Chewy Yummies

**Preparation time:** 10 minutes  
**Cooking time:** 15 minutes  
**Temperature:** 350 degrees

**Ingredients:** 3- 2 ½ ounce baby food (beef or chicken flavor)  
¼ cup dry milk powder      ¼ cup wheat germ

**Directions:** In a bowl, combine the baby food, wheat germ and milk powder. Roll into balls and slightly flatten them with a fork or hand. Put onto a very well greased cookie sheet and into a preheated oven until brown.

**More Info:** Perfect for dogs with tooth or gum issues since they are so soft and chewy.

## Classic Biscuits

## Are You Ckicken?

**Preparation time:** 10 minutes  
**Cooking time:** 7 minutes  
**Temperature:** 350 degrees

**Ingredients:** 2 large jars chicken baby food              crushed crackers  
4 cups cooked ground turkey              1 cup grated cheddar  
1 cup cheddar cracker crumbs              1 teaspoon poultry season  
1 teaspoon garlic powder                      1 ½ teaspoon salt

**Directions:** In a bowl, combine all of the ingredients except the plain cracker crumbs. Roll into balls that are large enough for your dog. Toss the balls in the extra cracker crumbs. If you are not cooking them right away then freeze until needed. Cook for 5-7 minutes on an ungreased sheet pan or until cheese melts.

**More Info:** Try different crackers to adjust the flavor.

## Lovely Liver Brownies

**Preparation time:** 15 minutes  
**Cooking time:** 15 minutes  
**Temperature:** 350 degrees

**Ingredients:** 4 cups of beef liver      2 eggs  
1 Tbs lecithin (powdered)      1 tablespoon garlic powder  
1 tablespoon Glucosamine      ½ cup of ground flaxseed

**Directions:** Place liver, lecithin, eggs, garlic powder and Glucosamine into a blender and puree for a couple of minutes until smooth. Mix the flaxseed in by hand until fully incorporated. Spread evenly into a cookie sheet with sides and put into a 350 degree oven for about 15-20 minutes. When done cool off and cut into 2" squares. Refrigerate immediately.

**More Info:** Glucosamine is great for joints, garlic helps prevent fleas and the liver is full of iron and flavor.

## Frozy Puppies

**Preparation time:** 5 minutes  
**Cooking time:** N/A  
**Temperature:** Very Cold

**Ingredients:** 4 cups of beef or chicken broth  
Small pieces of your dog's favorite treat

**Directions:** Mix the broth and the treats up in a bowl and place into ice cube trays. Put the trays in the freezer overnight.

**More Info:** Feel free to substitute the pieces of treat for whatever your companion loves. I recommend that you feed these to your dog over a tile surface for easy cleanup. This is a simple recipe but believe me it is a goody.

## Going Nuts

**Preparation time:** 10 minutes  
**Cooking time:** 12-15 minutes  
**Temperature:** 375 degrees

1 1/2 cup whole wheat flour      1 cup all purpose flour  
1 pack of unflavored gelatin      1 cup dry milk powder  
1/4 cup corn oil      1 egg  
6 ounce can of dog food      1/4 cup of water

**Directions:** In a bowl, combine the yeast and the warm water. Mix the rest of the ingredients together. Drop the dough onto an ungreased cookie sheet using a level 1/2 teaspoon. Cook for 25 minutes and allow rest and cool completely.

**More Info:** Refrigerate if not used immediately.

## Fishy Fudge

**Preparation time:** 10 minutes  
**Cooking time:** 20 minutes  
**Temperature:** 350 degrees

**Ingredients:** 14 ounces of tuna or salmon 1 ½ cups all purpose flour  
Grated parmesan cheese 2 eggs  
1 tablespoon of minced or powdered garlic

**Directions:** In a blender or food processor, combine all of the ingredients. Spread the batter into a greased 9" x 9" baking pan. Cook for 20 minutes. The fudge will pull away from the sides when finished. Cut into squares

**More Info:** Try both tuna and salmon separately or together for a twist.

## Barky Bagels

**Preparation time:** 25 minutes  
**Cooking time:** 25minutes  
**Temperature:** 375 degrees

**Ingredients:** 1 cup all purpose flour 1 cup whole wheat flour  
1 package of yeast 1 cup chicken broth  
1 tablespoon of honey

**Directions:** In a bowl, combine wheat flour with the yeast. Add most of the chicken broth and mix. Slowly add the other flour. Knead until smooth and moist but not wet. Use the remaining broth if needed. Cover dough and let rest for 5 minutes. Shape into balls, flatten a bit and poke a hole in the center so they resemble bagels. Allow to rise 5 minutes. Cook for 25 minutes on a greased sheet pan. Let cool.

**More Info:** Try beef broth as well the dogs go crazy for them.

## Don't Be A Dip
